## ***The Coffee Mill Promise: Quality Assurance***

***Coffee and products for your office  
www.coffee-mill.com***

At Coffee Mill, we focus on one thing alone: your peace of mind. When you work with us, you can be certain you'll have exceptional quality. ***The end result?*** Your to-do list shrinks and employee satisfaction and productivity soars.

### **Our commitment to product quality...**

Coffee Mill's goal is to keep your organization refreshed with a variety of specialty-grade roasted coffees and beverages to keep everyone coming back for refills. We will work closely with you to determine the ideal blends and brewers for your company, based upon your unique needs.

### **Our commitment to our customers...**

From delicious coffee and teas, to thirst quenching cold beverages, we'll do whatever it takes it takes to make your employees happy! We are as concerned about the environment as you are. Coffee Mill is also "green friendly", promoting recycling whenever possible.

Our employees are bonded and insured, and are sensitive to your organization's secure environment. We operate within the boundaries of your secure environment, giving you the assurance you need for a safe workplace.

### **Our responsiveness to your needs...**

We know that you expect the best. If your brewer does not work, we can send a dispatch to a service technician, and in most cases your machine is as good as new in four hours or less.

***Product quality. Dependability. Responsiveness.***

***Coffee Mill keeps your breakroom stocked with hand selected coffees and provisions, time after time.***
