

Statement of Mission and Values

Custom Office Beverage
Service Since 1974

A family owned and operated company since 1974, Coffee Mill believes in traditional family oriented values. Locally owned and managed Coffee Mill also aligns itself with some of the top brands in the industry, but an important part of our company is delighting our customers with our own signature brands.

Our company name demonstrates our focus on coffee and beverage products. We don't just deliver boxes of product; we are passionate about our coffee and related products.

Our values...

Commitment to quality

A cornerstone for our success.

Honesty and integrity

We work hard to earn the trust of our customers...and achieve this by doing business in a straightforward and sincere manner.

Respect for others

Both internally with other employees and with our valued customers.

Dependability

Ensuring standards are met to keep our customers happy.

Teamwork

Providing seamless service to our customers.

Our mission...

Sharing our passion for an exceptional office coffee experience.

Keeping your breakroom stocked with hand selected coffees and provisions, time after time.
